72.6mm   74.7mm   61mm   63.7mm

417.7mm   418.5mm

## KEY FEATURES

1. 7 in 1 seamless unlocking experience, you can enjoy the acess option either via Palm vein, Face recognition, Fingerprint, Password, IC card, Mechanical key and Wifi via TUYA App(remote unlocking).

2. HD visual 4-inch screen, automatic fill light, can see clearly even in the dark

3.With separate control systems in the front and rear panels, and is equipped with related accessories to prevent electromagnetic interference, higher security level. 4. Remote video call via Mobile App, remote unlocking for guests

5. Unique structural design, suitable for more than 98% of door types

6. AI 3D structure Face recognition, RF semiconductor Fingerprint can achieve significantly higher accuracy recognition, AI learning function, the more you use, the more flexible it is,enable a smooth and quick unlock and lock experience

7. Self-developed patented fully-auto electronics Mortise, recognize the door unlock in seconds, and close the door automatically locks. It enables smooth and fast locking and unlocking experience, fully automated with low noise.

Product Parameters

Appearance:
Aluminum alloy
Color: black
Display: 4-inch screen

Unlocking method:
Palm vein
Face scan
Fingerprint
Password
IC card
Mechanical keys
TUYA Wifi App

Hardware parameters:
4200 mA Lithium battery
Emergency power supply Type C
Number of users: 99+50 sets
(01ID administrator)

Structural function:
grade C Lock cylinder
Electronic anti-lock

Lock body(Mortise):
Full-auto 6068

Other functions:
- English voice prompt
- Multiple error alarms
- Low battery alarm
- Anti-theft alarm
- Virtual password
- Silent mode
- Doorbell
